

Not In, Miss Out!

at Barrow School

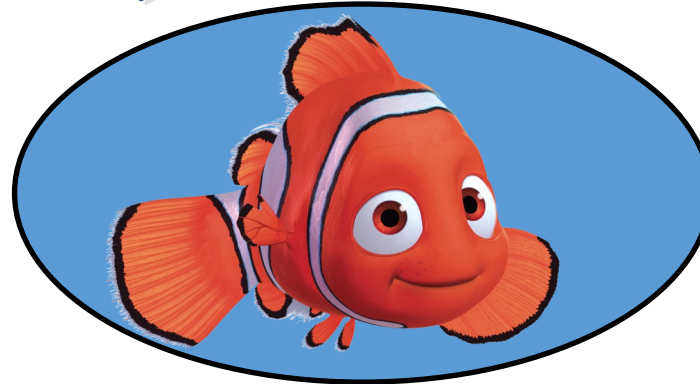

Individual Rewards

Attendance and academic performance are inherently linked together, so to reward the children we have our NIMO system in each class. NIMO means Not In Miss Out. Each full week the children attend school they receive a ticket with their name on that goes into the half term raffle. At the end of the school year all tickets from each of the 6 half terms are pooled together to make a grand NIMO raffle draw for each class.

Whole Class Rewards

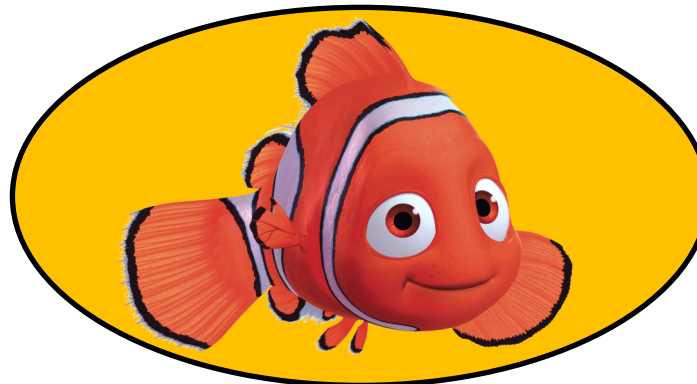

Weekly NIMO

The class with the best attendance for the week, receives a NIMO for the whole school chart in the hall.

Golden NIMO

The class with 100% attendance for the week, receives a golden NIMO for the whole school chart in the hall. This class will also receive a small treat on Friday afternoon, extra play or longer golden time.

How can parents get involved?

Children are encouraged to be in school everyday the school is available. It is paramount that any medical appointments are made for before or after school.
