Dear Parents and Carers,

Home/School Agreement

At Barrow we are always looking for ways to improve our communication between home and school and to work more closely with parents, carers and children, to ensure the children reach their full potential during their time with us. We also recognise and value the vital role parents and carers play in their child's education, whether it is ensuring your child is at school on time in the mornings, or listening to your child read, parents and carers impact hugely on their child's individual success and well-being at school.

With this in mind I would once again like to share with you our Home School Agreement. Please take time to read through the attached agreement with your child and then return the signed agreement to school. We hope that this agreement will foster even closer working relationships between home and school.

If you have any further questions about the Home/School agreement, please do not hesitate to contact us.

Thank you for your continued support.

Yours faithfully,

Nadine Fairweather

Deputy Headteacher
