Sponsored Read During Library Launch Week

To celebrate and encourage reading for pleasure both at home and school, we have been running a sponsored read during our 'Library Launch Week'. All the money raised will go towards brand new books for our new school library. A sponsorship form and reading log for your child was given out before half term. The reading activity can be recorded however you wish: your child could be sponsored for the amount of pages, chapters, books or time (in minutes) they read. For example, this could be 2p for every page or 50p for every half an hour – it's completely up to you!

We would be delighted if you could help us to enhance our reading resources for pupils by taking part and spending a small amount of time each day reading with your child. Remember, it's not just books that you can enjoy together: comics, magazines, recipes, menus, your favourite websites - anything with words that you can read together counts towards your total! After the sponsored read, please send all the sponsorship money that your child has raised to the school by Monday, 21st June. Thank you for your support.

Swimming Kit Reminder

For your child's weekly swimming sessions it is essential that they have with them a one-piece swimsuit, no bikinis or swimming trunks or shorts that have a drawstring waistband. All children including boys need a swimming cap every week. Although you are welcome to send in goggles, there will be times where children are asked to swim without them to develop water confidence.

Parking Reminder

Important Parking Reminder - at the express direction of the business owner, parking by parents in the Forelock and Load car park is NOT permitted at pick up and drop off times. Please also remember not to block the entrance to their car park when parking on the road. Following an incident this week, a further complaint has been received from Forelock & Load about parent parking. Please support us by ensuring that you adhere to this clear request at all times when collecting your children from school. Thank you.

Summer Term Essentials

Please can you ensure that your child is prepared each day with a water bottle, sun hat and could all sun cream be applied before school. Sun cream which is brought to school needs to be clearly named and preferably the roller-ball applicator style as it is easier for the children to be independent.

PE Kits - please ensure your child has a PE kit in school every day. Can we kindly remind you to label every item that comes into school; swimming kits, PE kit and uniform as there is an increasing amount of unnamed uniform in school.

PSHE

This half term Years 3,4 and 5 are starting their Relationship and Sex Education units. They will be talking about the changes that occur at puberty. You may find that your child will ask questions about this. If you have any questions or concerns, please speak to your child's class teacher.

DOORSTEP

THEATRE FESTIVAL

We are taking part in the
Doorstep Theatre
Festival to celebrate 'The Arts.'

On **Monday 14th June** we would like Reception and Key stage 1 to come dressed in non uniform.

On **Wednesday 16th June** we would like Key stage 2 to come dressed in non uniform.

We are asking for a donation of £2 on the day.

Every child will get to watch a professional show
The Paper Aeroplane EY & KS1 and *The House that Jackson Built* KS2 and have a follow up workshop with the actors the next week.

I've had my first vaccine, what should I do now?

Book your second vaccine

You may have booked your second vaccine at the same time as you booked your first. If so, you do not need to do anything else, simply turn up for your second appointment. If you need to change your appointment you can manage your appointment at <https://www.nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/book-coronavirus-vaccination/>

If you booked your first dose with your GP, they will contact you to book your second appointment. This should be 10-12 weeks after your first vaccination.

Your GP will contact you when it is time to book your second appointment. If you have not heard after 10 weeks, contact your GP. The local patient enquiry helpline can also help with bookings: **0344 257 3961**.

www.gov.uk/coronavirus

Follow the current guidance

Whether you have had a vaccination or not, you can catch and pass Covid-19 onto other people. It's important to continue to follow the current guidance to keep yourself and loved ones safe. Current guidance can be found gov.uk/coronavirus

www.suffolk.gov.uk/testing

Get tested regularly

- 1 in 3 people who catch Covid-19 do not show symptoms. Even once you are vaccinated, you could catch Covid-19 and pass it on to others, so regular testing is important. Twice weekly testing is recommended for everyone.
- You can pick up a home testing kit from your local pharmacy, library, testing centre, online, or by calling 119. Visit www.suffolk.gov.uk/testing for more information.

Can I choose a different vaccine?

Your second vaccine dose should be the same type of vaccine that you received for your first. (This will be noted in your medical records and on your vaccination card). If you had an allergic reaction to your first vaccine, seek advice from your GP about booking your second appointment. Allergic reactions to the vaccine are very rare.

To protect yourself and others, remember 'Hands. Face. Space. Fresh Air':

Hands – wash your hands regularly and for 20 seconds
Face – wear a face covering over nose and mouth in indoor settings
Space – stay 2 metres apart from people you do not live with where possible
Fresh Air – meet in the fresh air. Keep buildings well ventilated
