

The Weekly Bulletin

Inspire, Create, Discover, Together

Welcome Back!

It has been an absolute delight to have the children back in school this week and see them getting back into the swing of some old routines! We have already enjoyed an emotional whole school assembly for the first time in 20 months and taken a walk to the church for an uplifting service with Rev Lynda and her team. It's also been great to see the hall back in use at lunchtimes and the children playing together throughout the day.

Our new Reception children have settled in tremendously well and we look forward to having them full time in school from next week.

Parking Reminder

Important Parking Reminder - at the express direction of the business owner, parking by parents in the Forelock and Load car park is NOT permitted at pick up and drop off times. Please also remember not to block the entrance to their carpark when parking on the road. Following an incident this week, a complaint has also been received from a local resident regarding parents parking across driveways. Please support us by ensuring that you adhere to this request to park safely and appropriately at all times when dropping off and collecting your children from school. Thank you.

Whole School Notices

- **Data sheets** - the office will be issuing new data sheets for parents to complete and return in the coming days. Please look out for these and send them back into school as quickly as possible so that we can update our records. This is a safeguarding requirement and so speedy responses would be very much appreciated.
- **Meet the Teacher Dates** - please look out for the information regarding meet the teacher sessions in all year groups in the next week or so.
- **Year 3 Snack** - a fruit snack is not provided for children in Key Stage 2. For those children in Year 3 who would like a snack, please provide them with a piece of fruit to bring into school each day.
- **Google Classroom** - please keep any eye out for class updates in each year group's stream. The staff have been sharing photos and news from our return to school activities.
- **Year 7 School Place Applications** - for those parents with children in Year 6, please look out for information on ParentMail from Suffolk County regarding the window and process for applications.
