Spellings once a week

Home learning task once a set on a Friday due in 12 days later on the following Wednesday.

(Reading book changes and covers)

# Spellings

I will set up to 8 spelling words each week that follow a spelling pattern.

You will initially be in a group with either 4, 6 or 8 words but you will be able to see all of the words and if you want to learn 6 or all 8... you can.

Everyone will have a bonus word to try that follows the spelling pattern so I can see if they can apply their learning.

# Year 1 Phonic Screening

Usually in mid June all of the children will be sitting the National Phonic Screening Check.

This is a list of 40 words, a combination of real and nonsense words that the children have to decode and blend together.

More information will follow later in the year.

# Reminders

Named water bottles with only water inside every day.

Named clothing

Named PE kits for Tuesday and Thursday

Library session Wednesday
