Dear parents and carers

## Staffing for September & Transition Day Arrangements 2022

As we head towards the end of another school year, I am pleased to say that we have now finalised our staffing and class arrangements for next academic year, 2022/23. Whilst we once again retain our full staff team, we have made a number of changes to current arrangements. We are very keen to keep families informed of the changes that will be happening in school and realise the importance of preparing the children well at times of transition.

Our whole-school **Transition Day** will take place on **Monday, 11<sup>th</sup> July**. Transition Day presents an exciting opportunity for your children to spend a day with their new class teacher/s; to start to get to know them better and prepare everyone for a positive start in September. I am pleased to confirm that our classes will be organised as detailed on the attachment to this letter entitled 'Class Arrangements for Academic Year 2022/23'.

On the morning of Transition Day, please drop your children off with their **new teacher** as detailed in the table below. They will then be directed to their classrooms for the day. Should you have any queries regarding these arrangements, please speak to your child's current class teacher. Those Year 6 pupils who are not attending a secondary school transition day will be spending the day with Mrs Pearce.

Class	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Outgoing Year 6
<b>Drop off</b>	With Mrs Rance on the playground near to the courtyard	With Mrs Dean on the main playground	With Miss Baker on the main playground	With Mr Keefe on the main playground	With Mr Hale at current classroom entrance in new block	With Miss Burchell at current classroom entrance in new block	With Mrs Pearce at the hall doors

The staff are all looking forward to spending some time with their new classes and Transition Day promises to be a fun day for all. With your continued support, we look forward to a smooth and enjoyable end to the term, along with another exciting and successful year ahead.

With warm regards
