See our classroom...

We keep our things tidy and can access what we need easily. Things in Year One are labelled and easily accessed, giving us independence.

Our named trays.

Our cloakroom and pegs.

Our reading corner

We learn to read  
and share books.  
We make good  
recommendations of  
texts we like.

Our class books.

We have special  
books that are our  
class books for  
learning.

We have continuous provision baskets to ensure a smooth transition from EYFS.

# Our outdoor provision

In Year 1, we learn inside and outside. We have a lovely outdoor courtyard to experience our rolling provision in.

Our outdoor, 'themed' home corner...

Our outdoor learning equipment is stored in here.

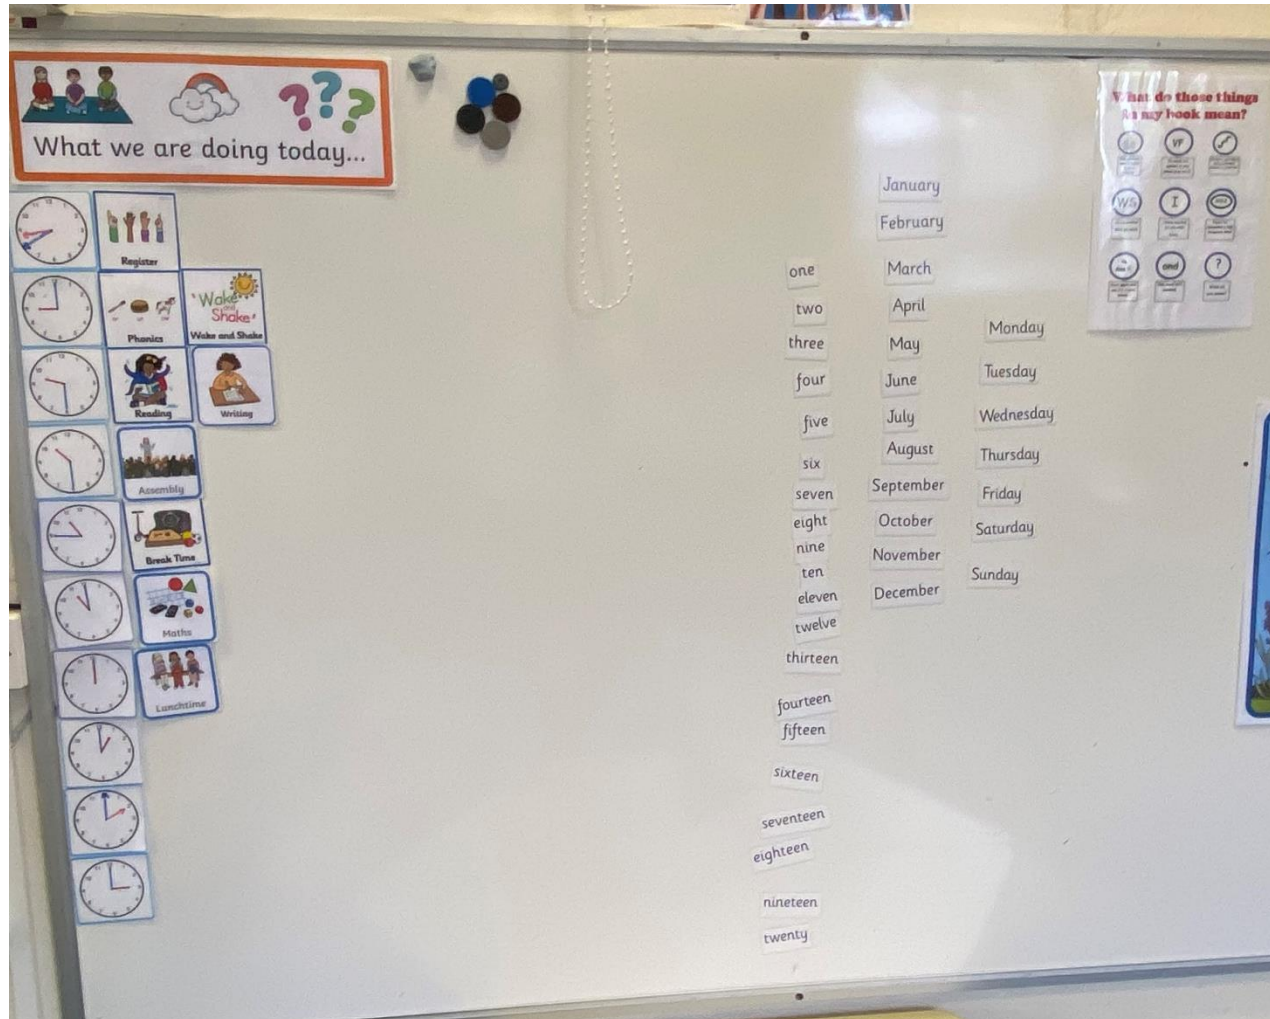

Our creation  
station

We love to make  
and create as part  
of our rolling  
provision!

We have timetables up and things on our walls to help us with our work.

In Year 1, we take great pride in our work and show it off on our display boards.

Here you all are with your beautiful art work!

We cannot wait to see you when you visit!
