

Attendance Reward System

As you already know, at Barrow Primary School, we are committed to providing a broad, balanced and effective education for all of our pupils. For our children to gain the greatest benefit from their education it is important that they are in school, on time, every day that school is open unless the reason for the absence is unavoidable. We believe that regular attendance is of the greatest importance so that children:

- Have full access to the curriculum and are more likely to achieve well and leave school with the vital skills and knowledge they need for their future lives
- Are able to build positive relationships and develop social skills which prepare them for the next phase in their education
- Are able to develop their self-esteem, their sense of worth and sense of belonging
- Are able to develop a positive attitude to school and the world of work, understanding how important it is to be punctual and reliable

As a school we have extensive rewards and incentives to celebrate and promote children’s attendance with individual, class, whole school and family rewards based on 97% and 100% attendance. This represents a significant investment for the school, however, we see this as being a really important part of our work; every day matters!
