Remembrance Land Army Day

On Wednesday this week, Barrow School had the privilege of having the Women's Land Army Trust visiting the school. We enjoyed a fascinating assembly from Nicky, a land girl historian who helped us understand the different roles and responsibilities that were held from dairy work, to forestry, food production and heavy machinery. We

We held a 2 minute silence to show our thanks and remembrance of those who gave their lives in war for the protection of others.

Teasel the Suffolk Punch horse also came, tacked up in his amazing leather and brass harnesses. The children spoke with his owners, who take him

across the country, teaching about the importance of horses in WW1 and WW2. The children were amazed at his size - 18 hands tall, weighing 1000kg!

In the afternoon we took part in many different activities, from butter churning to planting strawberries to writing applications to join the Land Army. What a fantastic day experiencing living local history.

Kuk Sool Kids

Harry, Jake, Otto and Arthur from Key Stage 1 have all recently gained their next belt in the Korean Martial Art, Kuk Sool Won. The boys attended a testing session, led by a Kuk Sool Won master, where they had to demonstrate their set meditations and kick and punch sequences, while showing the discipline and focus expected in martial arts. They also have to show they can count in Korean! Their testing was rounded off with the important wood break, with all boys successfully breaking through a wooden plank with a palm strike. All boys were awarded a 'pass' by the Kuk Sool Won master and were awarded their new belts... well done boys!

Multi-skills Festival

Some of our year 4s were at King Edwards on Tuesday taking part in a multi-skills fun session against local Primary Schools. The morning was based on fun and participation, they played Dodgeball, Benchball and some Team Building games - all of the children thoroughly enjoyed the event as shown in the wonderful picture below.

Open Classrooms

Ahead of our Autumn Term Parent Consultation Meetings, we would like to offer you the opportunity to come into school and review your child's learning so far this year by inviting you to an open class event in each year group.

Classes will be open from **2.45pm** on their allocated day when the children's books will be made available for you to look through and staff will be on hand for informal discussions.

As our space in classrooms is limited, can we politely request that no more than two adults per child attend these sessions and any pushchairs are left outside.
