10th November 2023

Dear Parents and Carers

Swimming Arrangements & Contributions

The children at Barrow continue to enjoy the benefit of year round swimming lessons as part of our PE provision. For the academic year 2023/24, all classes will have a weekly swimming lesson across two of the six half terms of the year. This spread across the year will allow teachers to cover *all* of the PE requirements in a very broad curriculum.

Your child in Year 3 or Year 6 will swim as follows throughout the year:

Autumn II	Summer I
-----------	----------

As is the case every year, to help with running costs of the pool, we are requesting a contribution of £15 per child. The significant costs associated with heating and the chemicals required to make the pool safe and usable are also supplemented by the income from the lettings that we have. I very much hope that you will agree that this amount per child represents tremendous value for money for such an excellent resource over the course of the year.

As your child is currently swimming this half term, please make your contribution online via ParentMail.

The children always look forward swimming and we are pleased that, with the support of our families, we can continue to offer this additional learning opportunity.

Kind regards

Helen Ashe
Headteacher
