Spring Term Clubs Update

We are very pleased to be able to offer a wide variety of school clubs once again this term. The clubs on offer have been very popular, which is wonderful to see.

If your child has been allocated a place on a club, you will have received an email this week. Unfortunately, due to the popularity of the clubs, we may not be able to offer every child a place on their preferred choices this term. However, we will be running the same clubs in the summer term and will give priority to those children who were unable to attend a club this term. If there are any places unallocated or refused, we will advertise these separately next week.

Spring Term Clubs will start on Monday, 29th. School run clubs finish at 4pm. Please wait to collect children outside the UKS2 teaching block. Teachers will bring the children out to adults collecting.
