World Book Day Fun

We all enjoyed a very cosy World Book Day in our pyjamas on Thursday this week. The children were also very excited to take part in our first Book Swap. This is definitely something that we will now do more regularly throughout the year! Hot chocolate and biscuits were also a popular feature to match our reading at bedtime theme.

Mrs Dean and Mrs Ashe took a group of book worms into Bury to select new titles for our school library from Waterstones. They did a brilliant job,

bringing back over 90 new books to boost our reading stock. A huge thank you to everyone who contributed to the half term reading challenge fundraising which made this possible.

Girls Football Day

To coincide with International Women's Day, a record-breaking 465,000 girls from 5000 schools across England took part in the FA's Biggest Ever Football Session today, as part of their [Let Girls Play](#) campaign. Sessions took place up and down the country to support the drive for equal opportunities for girls to play sports, including football in their schools.

We were delighted to be part of this initiative at Barrow with girls football sessions being run by Mr Daniel throughout the day.

A Message from the Courageous Advocates Club...

Courageous Advocates

2024

This year we are doing a project with All Saints Church to save the bees and butterflies.

This is important as if we don't protect these pollinators, then we won't have any food or flowers.

The garden is hopefully going to be the shape of a butterfly so that it stands out.

We need your help!

Please bring in NATIVE plants and wildflower seeds.

You can leave these at the school office.

These are things like.....

Lavender, wild roses, forget-me-nots, grasses, oxeye daisies, verbena, decorative grasses, buttercups, bluebells, snowdrops and other things you might find growing in your own garden.

If you would like to be an adult helper on this project, please let the office know.

How to pot your garden plants;

Find a clump of plants you can donate e.g. some forget-me nots.

Dig out a section and put it in a pot.

Give it a water.

Bring it into school and leave at the office.

Please bring in any donations of plants by the end of term!

Theatre Royal Bloom Festival

This Easter holidays we are really excited to be launching our BRAND NEW community festival 'Bloom'. The festival will feature 16 workshops focused on a range of different art forms from Arts and Crafts, Storytelling, Dance, Choir, Directing, Playwriting and SENSory play. We have a fantastic mix of local artists from our Artistic Director Owen Calvert-Lyons to Tom Appleton and Rosy May. The festival will take place between the 25th March and the 6th April.

These workshops are all available as pay what you can and are available for all ages of our community. For the whole list of workshops, please see below:
