The Weekly Bulletin

Inspire, Create, Discover, Together

Play Equipment Update

Thanks to recent fundraising activities in school, we have been able to provide some new and exciting equipment to make outdoor play even more fun, interesting and active for the children. With money raised from the recent mini-marathon and the Senior Pupil Snack Shack initiative, we have been able to purchase an outdoor table tennis table and also develop a woodland adventure zone in the wildlife area. The children are LOVING the variety this is all bringing to our play provision. Thank you to our families for your help and support!

Menu Changes

Fridays Week 2:

Will now be Vegan Nuggets (and not veg spring roll)

Fridays Week 3:

Will now be Fish and Chips (not chicken dippers & chips)

Barrow Safe Initiative

We have created an online platform for our older children to access so that we are able to sensitively and discretely support any worries or issues that the children may have, either inside or outside of school. This is called Barrow Safe. The children can access it using their mobile phones via a QR code that takes them to a simple form that can be completed anonymously to reach out for information or direct support if requested. The QR codes are available to the children as they arrive and leave the school site. As always, we encourage all parents to have open and honest conversations with their children on a range of topics. If you'd like to know more about how to talk to children about difficult topics, please follow this link to the NSPCC site

<https://www.nspcc.org.uk/keeping-children-safe/support-for-parents/talking-about-difficult-topics/>

Summer Term Essentials

Please can you ensure that your child is prepared each day with a water bottle, sun hat and could all sun cream be applied before school. Sun cream which is brought to school needs to be clearly named and preferably the roller-ball applicator style as it is easier for the children to be independent.

Uniform Reminders- Can we gently remind parents to ensure that summer jackets are smart and appropriate for school. No denim with school uniform please.

Summer shorts - cycling shorts can be worn with PE uniform only; tailored shorts on uniform days please.

Dates for Your Diary

May

13th Year 6 SATS Week

17th *FoBS Disco after school - non uniform day*

27th - 31st Half Term
