## Open Classrooms

Ahead of our Autumn Term Parent Consultation Meetings, we would like to offer you the opportunity to come into school and review your child's learning so far this year by inviting you to an open class event in each year group.

Classes will be open from **2.45pm** on their allocated day when the children's books will be made available for you to look through and staff will be on hand for informal discussions.

As our space in classrooms is limited, can we politely request that no more than two adults per child attend these sessions and any pushchairs are left outside.

We hope you can join us and look forward to welcoming you into school!
