Home Learning - a gentle reminder

We'd like to remind all families of the importance of engaging with home learning. Regular practice at home helps children consolidate what they've learned in school, builds confidence and encourages independent learning skills.

We really appreciate your support in making home learning a positive part of your child's routine. Setting aside a regular time each week, talking with your child about what they are learning and celebrating their efforts can make a big difference.

Thank you for continuing to work with us to support your child's learning journey.

Suffolk Churches Sponsored Bike Ride

We are delighted to share the fantastic achievement of George C (Year 6), Jack (Year 6), Henry C (Year 3), and Thomas (Year 2), who took part in the Suffolk Churches sponsored bike ride this past weekend with their families.

Together, they cycled an incredible 24 miles, visiting 8 different churches over the course of 4 hours. Their determination, teamwork, and enthusiasm throughout the ride were truly inspiring.

They were absolutely amazing, and we are all extremely proud of their effort and commitment. A huge well done to George, Jack, Henry, and Thomas!

Chatterbooks Club at Bury Library

Bury Library is running a monthly Chatterbooks Club for children aged 9–12, and the next session will take place on Saturday 4th October, 10:15–11:00am.

This friendly club meets on the first Saturday of each month and is a lovely opportunity for children to share the books they enjoy, make new friends, and take part in activities linked to a chosen story.

The book for October is Finn Family Moomintroll by Tove Jansson. Copies are available to borrow from the library, with a special display in the newly refurbished junior section. Children are welcome to join in even if they haven't read the book in advance, as there will be crafts and activities based on the story.

The sessions are run by the library staff and provide a welcoming environment for young book lovers to build confidence and have fun.

If your child is interested, we would encourage you to take them along to try a session.
