St Benedict's Catholic School

Developing Wisdom, Compassion and Resilience through Prayer and Work

We know that choosing a secondary school for your child is a big decision. At St Benedict's we believe that our community is distinctive and unique and we have worked hard to ensure that our values are evident in all we do. We are incredibly proud of our school and the young people at St Benedict's. We hope that you will get a clear sense of the school and the distinctiveness of our community both from our materials and through visits to the school. Our school is a high-achieving one, with our curriculum underpinned by Gospel values and by our Catholic ethos in practice. Our vision as a school centres particularly on the Gospel values of Wisdom, Compassion and Resilience and our curriculum reflects these values and principles. As a school community we serve a large geographic area and welcome students and families who are supportive of our distinctive ethos from all backgrounds. As a result, our community serves many students who describe themselves as Catholic, those of other faiths, and those with no faith. We are an inclusive school where students of all abilities, talents and cultures are nurtured and supported to achieve their potential. St Benedict's students are polite, conscientious, reflective and supportive of one another. We have many opportunities for student leadership including charity work and service in the local community and our students engage with a wide range of extra-curricular opportunities. Our values as a school encourage students to see competition as a mutual challenge where all contribute and we take pride in both personal and collective success. As a school we hold the Gold Award for religious studies and ensure that the spiritual, moral, cultural and social development of students is a priority.

We also hold the Gold Artsmark and are a Duke of Edinburgh Award accredited centre and encourage our students to develop their understanding of the world through many extra and super curricular activities.

We are very proud of both the 2025 Ofsted report (June 2025) and our Section 48 Inspection (July 2022) which highlighted that this is a school where young people are happy and flourish and where it is 'OK to be different'. (Ofsted report)

Students leave St Benedict's well-prepared for the life that awaits them beyond school through a well-rounded education that goes beyond the confines of the academic curriculum and examinations. We believe that every one of our students should go out into the world ready to make it a better place.
