

Time for a clear out?

Growkids is a clothing bank for children aged 0-11yrs based at the Charles Burrell Centre in Thetford. We give away free clothing for anyone in need, and are stocked entirely through donations from the community.

Growkids is a project of Thetford Vineyard Church and creates a space for the Biblical message of kindness and generosity to others to be put into practice.

We will be collecting pre-loved children's clothing this week in your school. We are only collecting ages 2-11yrs, as our baby supplies are full. Clothes should be clean and in good condition.

Thank you for
your support!
